CHENNIN & CHEYNE

This past summer I went back to college. Actually, it was night school at the community college, but I've always had a fascination with jewelry making. The course was fun and Shayna was a great teacher. I'd stay after class a few times to get a little extra encouragement and we kinda became friends. Then after our Friday night class, I invited her out for a drink. Later that night, she came home with me.

As soon as we got to my door she started kissing me and I returned the favor. We went inside and before we could sit on the sofa, our clothes were off. She immediately pushed me down on the sofa and spread my legs, diving into my pussy with a hunger I had not seen in a long time. We sixty-nined for probably two hours, each one of us cumming over and over again. In next week's class she was back to business and when the course ended several weeks later, I had made myself some nice jewelry, and a great friend.

SANDY & GWEN

We're ready for one hot photo shoot. We couldn't believe the number of dildos and vibrators that they had for us to choose from. I picked the pearl, plastic bullet vibe and Gwen went for the fleshy cock. Time to test them out.

We had so much fun
with the vibes that they
had to replace the bat-
teries on each one.
But the best surprise
of all was when these
two large cocks magi-
cally appeared on set
and we got to play
with those. Gwen
took the thinner
one and I jumped
on the fat one.
Yum. Yum.

Dear sirs,

A small complaint here, or at least a pertinent question. I've seen plenty of pictures in your magazines with a girl upside down, swallowing a guy's big dick down to

his balls. But my gal can't do it. I'm not as big as the guys in the shots, but it won't go down her throat like in the photos. Her neck has to bend ninety degrees. What gives?
— Freddy Z.

Ed: One word: Practice!

Dear Editor:

Many of my friends have asked me how to make a sexy video and put it up on the internet for our other friends to see. My boyfriend and I are exhibitionists and we've been uploading our clips on the web for about six months now. We've posted about twenty of our own amateur vids and we're kinda proud of them. Most of them are various hand job and blow job scenes. These types of scenes are easy to shoot. I think I give really good head so that shows in the clips, and my man has a huge, beautiful cock that I want to share, at least on video.

Having sex is second nature to us and making the video is quite a simple process: First, come up with some inventive or unusual sex acts or positions. Anyone can shoot a straight fuck or bj. It's how you make it special that will draw internet audiences.

With so much sex available on the web, yours has to stand out. For example, I push him down into a chair and he's naked. I place myself between his legs and as he points his camcorder down at me, I use my hands and mouth on his cock and balls. This sounds pretty tame, but that's where you have to spice it up. Start with stuff you've already seen, like chocolate syrup or whipped cream on his cock and begin to think of kinkier things, like chili, or slap his cock around. Be sure to get that money shot. My man has HUGE ejaculations and we want to be sure to capture every drop that cums out.

Case in point: I've started inserting my finger or a dildo into his butthole and his cum has nearly doubled in volume. His orgasms have practically doubled in length and in strength. It wasn't something we planned. It was a spur of the moment thing that I suggested and he, reluctantly, agreed. Now he loves it and it's not only a part of our videos but our regular sex life, too.

I've also noticed that my boyfriend can get rock hard again after he cums and we rest for a few minutes. Then I'll stick something a bit bigger in and he easily gets it up a second time! Not bad for a forty-plus year old man. I can always look forward to more great sex ending with another huge wad that's just as strong as his first. We try to capture every orgasm and drop of cum in the videos.

To keep the interest going, I let him choose where he wants to unload his hot stream. Sometimes he fills my hands or my face ass, or spews on top of my pussy with it. His orgasms are so strong I can actually feel his cock jump and twitch, whether he's pumping my ass or jamming my pussy. It's the most amazing feeling; his strong orgasms trigger my own gushers and we're able to cum simultaneously. Ladies and gents, trust me, your lady will love you more than she already does and you'll find she wants to do things to you that you never dreamed of!

Now for the technical stuff. First, begin with lighting and mood. Be sure you have good audio so all your grunts, squeals and screams are clear. Sex is almost as much aural as anything else.

Get to know your camera and use the settings properly. You don't have to go HD, so get a good little camera and it will serve you right.

Spend a little money on editing software. Many computers now come with it. And be sure to cut a soft version teaser of your sex scene. Find out about video formats and conversion rates for the web so your video file is not too large. And finally, find out how to upload the videos to the sites of your choice. YouTube is relatively easy to set up your own channel, but they don't allow hardcore. There are plenty of adult clips sites with different specs and fees.

Now go out there and make a sex tape. Look what it did for Pam and Kim.

StaceyAnn, St. Louis

To the editors,

I just want to tell you of a girl I dated back in the day, a real freak. This girl was always up for something wild – blowjobs in elevators, handjob at the movies, fucking in the library, vegetable play, you name it. She had the best big funbags, topped with perfect, luscious, suckable nipples, the kind you get so caught up in you almost forget the girl has a pussy. Can you say “motorboat?” I loved to oil up those tits of and slip and slide my rock hard cock between them, with her mashing them together around it until I blow my load all over em.

Little gets me hotter than watching a girl fingering her pussy. I'd

watch her spread her engorged pussy lips for me. I whipped out my cock and stroked away, imagining I was her probing fingers.

“Come here. I've got a surprise for you.” She'd push my face down into that wet pussy of hers and I'd dine on her sweet pussy and its delicious nectar. Then I'd lick her clit six ways to Sunday, and after a while shove a few fingers deep inside her. Moaning, she'd grab my head and push it deeper and harder into her. “Fuck me now, Frank,” she'd cry, and naturally I'd be all too happy to oblige.

Her mouth would encircle my hardon and she'd suck away like there was no tomorrow. Before I came, I'd pull out my cock and plow it deep inside her and she'd grunt as it entered deep into her wet pussy hole. Then I'd fuck her brains out until I filled her pussy with my cum. And then we'd go at it again...

Then one day I went over to her apartment and she was moving out. Headed back east to be with her ex. As she left, so did the best pussy I ever had. Don't cry for me, Colorado. I'll be back.

Shonn, Denver

Hi guys...

I just had to write and tell someone that I just had my first anal experience. And it was just as I imagined. Soft, warm and deep.

I was in Vegas with my buds and they treated me to some fun after we won a couple thou at a video poker machine.

She came over to the hotel room and did me while they watched. They wanted to get their money's worth. Well, after about twenty minutes of blow jobs and some fucking, she pulled out some lube and soaked her butt with it. The rest is history. There, now you all know it in addition to the four of us.

BROOKE & MARK

They call me a bodacious blonde bombshell of a sexpot, but I'm just a shy Southern girl that just loves to have sex. Now it wouldn't be right to tell you when I first sucked a cock, but it really wasn't that long ago. But once I did, and I saw what I could do to a guy, well, I just couldn't stop myself.

A blonde woman with long hair is lying on her back on a light-colored carpet. She is wearing black lace underwear and has a silver chain necklace. A man's hand is visible at the top of the frame, touching her pussy. She has a surprised or excited expression on her face.

Ever since I moved out to L.A., the sex has been non-stop. Well, even back in Memphis I was getting a lot, but now it's like an avalanche of guys all tripping and falling over themselves to get at my pussy. The ones I let in know they're going to get a real treat and I sure deliver it. Check out my video and see for yourself! You won't be disappointed. I promise!

NIKKI
& TREVOR

A woman with long dark hair and blue eyes is kneeling on a grey concrete surface. She is wearing a white lace bodysuit and a necklace with a large letter 'K' pendant. She is looking directly at the camera with a slight smile. In the bottom right corner, the back of another person wearing white underwear is partially visible.

When they say a picture is worth a thousand words, it surely is in my case. Just look at the small photo on the opposite page - I like it doggy style. The other positions are good too, but being on my knees with the guy's pounding my pussy from the rear is such a turn on. My best orgasms cum this way.

Is that what she really means?

Guys, what comes out a woman's mouth isn't always what she's thinking. Don't be fooled again.

We've tried to understand them from the beginning of time. Cavemen had to decipher their grunts. Today, we have to read between the lines or read their minds. Here's a guide.

a. **We:** 99 out of 100 times she means 'I.'

b. **Thank you:**

When she thanks you – don't question it. Hopefully, she's really just thanking you. However, if she says: "Thank you very much" with the emphasis on 'very much,' that's probably sarcasm.

c. **I came:**

Now pay me so I can beat the traffic -- or -- I'm tired of you dripping sweat on me -- or -- get your heavy ass off me -- or --

d. **Whatever!**

Another very dangerous word. Depending on the context, she's blowing you off (not in a nice way) or doesn't want to be bothered by your minuteness.

e. **Are you listening?**

Never lose track of her conversation. If she mutters this, it's the kiss of death. And never, ever say 'No.'

f. **Of course:**

You know she'll never agree with you. She's setting you up for something else.

g. **Good:**

Really? You'll only hear this when she has made her point or gotten her way. At that point, you need to realize there's nothing more you can say.

h. **Do you think I'm fat?**

All men should know by now that the truth will get you killed (that's the easy way out), a permanent attitude; or cut off from sex the rest of your life.

i. **It's nothing, darling:**

Oh no it's not. It's something and you're going to have to guess what it is.

j. **We need to talk:**

You don't need to talk. You only need to listen and nod in agreement every once in a while.

k. **I don't want to talk about it:**

Oh yes, she does, but only when she's ready and she's thought of all the ways to cut your balls off.

l. **You never listen to me:**

She's right.

m. **Only five more minutes, babe:**

Yeah, right! Her clock doesn't keep time the way yours

does. One minute to her is like dog years, seven to one. But if you say it and keep her waiting, she won't talk to you until after you get there.

n. **I'm a virgin:**

You'll never get in my pants.

o. **Do you love me?**

This is not an affirmation of love she wants. It's usually an expensive token.

p. **How much do you love me?**

This is not a request to recite the famous Elizabeth Barrett Browning poem, but a reminder that the present you haven't gotten her just yet should be a lot bigger than you were planning.

q. **Did you like dinner this evening?**

The answer is always 'yes' no matter how good or bad it was or you'll be sharing the dog bowl.

r. **Not tonight:**

I have a date with my vibrator.

s. **That was wonderful:**

But I've had better.

t. **Did I just hear the baby?**

No way she's getting up to deal with it, so next time use a condom.

u. **But, I said please:**

This is definitely a head power trip. Even is she didn't say it, she expects it from you anyway.

v. **Is the bread all gone?**

Even is you bought a fresh loaf yesterday, it's not bread she wants. She'll tell you to get it and some other things, too.

w. **I'm not yelling:**

She is yelling because she is stressing her point. You have no point to make, now.

x. **Deep sigh:**

This is a non-verbal noise that most men will not understand. It's exasperation and she's wondering why she's wasting her time arguing with you about nothing.

y. **Go ahead, have fun at the party:**

And you won't because she didn't mean it. She'll be calling every few minutes to be sure you are 'having fun' and to find out who you're talking to. And, lordy, lordy, if it's a woman, she'll be there in two minutes spewing ice daggers from her eyes at you and the bitch. You can forget about sex for a month or more.

z. **Where are you?**

Why the fuck aren't you there at her beck-and-call?

YES, I'M WET.

*I'm also sassy, opinionated,
a bitch, a sweetheart, your lover,
and your worst nightmare.
I'm your ex – asshole.*

NASTY HOUSEWIVES PRESENTS

Love thy Neighbor

My neighbor Lorraine is a smallish woman with ample breasts and a round little ass guys dream about. And if She has long brown hair with an oval face and full pouty lips. We have the largest pool in the cul-de-sac, so we're the ones always throwing the parties. In the summer that's at least once a week and since we live in Texas, they continue until Christmas. For years now, Lorraine and I have been flirting at the pool and sometimes at dinners we would have with my wife and her husband. So today, it seemed that she enjoyed my flirtation because she flirted right back. We were sitting at the pool bar and she would brush my leg or squeeze my thigh as the alcohol dimmed her senses, but I didn't mind. One time she caught me looking at her boobs when her nipples were pushing hard against her bikini top. I looked away but she patted my butt, so it was fine.

I have a business that allows me to work from home. That next Wednesday, I heard the doorbell ring and when I answered it was Lorraine at the door with a large bag from Mickey Ds. She asked if I would have lunch with her since she brought enough for two. I looked in the bag and said "Sure, but only if I can bring the wine." We both laughed and headed for the kitchen. She laid out the burgers and fries and I popped the cork on a nice bottle of Merlot.

Darrell, her husband was always away from the city on his company's business. She rambled on about the cities he went to, and this was not what she signed up for, and how she found it hard to fill her days. I tried to listen but that was difficult to do with her standing there in that short red dress that clung to her firm ass and the low cut that barely covered her areolas. As I looked closer, I realized she wasn't wearing a bra, and again she caught me sneaking a peek at the outline of her

nipples. Of course, my cock stiffened up and I was embarrassed to get out of my chair. She was leaning on the counter a few feet away when she caught me looking and then she smiled at me and said, "It's nice when a man notices a woman."

I think I blushed and she took a couple steps over to me and said, "You should get back to work. I'm sorry I kept you so long." I told her it was okay. That I was just wrapping it up

for the day, anyway. After some more small talk, I was so horny from the wine, I looked at her and said, "Well, since you didn't bring any dessert..." She put a finger to my lips and replied "Actually, I did."

Leaning over, she gave me a soft kiss on the cheek and slid it to my lips. With her head bent down, she noticed the bulge in my pants and ran her hand down there

As I penetrated her again and again, her pussy squished at every thrust and I felt her juices running down my balls and thighs.

Or at least get as much booty as you can before the husband comes home

to check if it was me or my keys. I felt her squeeze the hard flesh through my pants and she lightly tongued me as she did. I reached behind her and put my arm around her waist and down to her butt. She took it and pulled me up and out of my seat.

She walked away from me and asked if I would bring the wine glasses into the living room. I said "Sure." and poured a couple more inches into each of them. As I entered the room, I saw her untie her shoulder straps and watched as her dress fell off her. No bra, but she also wasn't wearing any panties. Now her naked body stood in front of me and it was even sexier than I imagined.

"Where is Rachel?" she asked. I told her my wife was at her mom's for a couple days as I stared at her perfect breasts with their light brown nipples. She turned sideways and picked up her dress off the floor and tossed it on a chair. "Are you ready for dessert?" she asked as she straightened up and walked over to me. I gave her a kiss and began running my hands over her body. I could tell she was as hot as I was as she began pulling off my shirt and not even undoing my belt, jammed her hand down my pants and grabbed my throbbing cock. With her free hand she undid my zipper and pulled out my thick cock. She stroked it a few times and knelt in front of me stroking my cock and balls. She looked up at me with those angel eyes and asked if that felt good. I moaned something stupid, but she did not even bother to wait for my answer. Her mouth opened wide and she engulfed my cock using my balls to pull it into her.

She pulled her mouth off my cock and sat down on the edge of the sofa. She leaned back and spread her legs. I knelt in front of her and started to lick her dripping wet cunt. I put my arms under her knees and lifted

her legs so I could get a better angle at her clit. She reached long between my legs and pulled my cock into her wet pussy and she arched back at the first thrust. As I penetrated her again and again, her pussy squished at every thrust and I felt her juices running down my balls and thighs. I reached under her and grabbed both butt cheeks and used them to pull her hard onto me as I pushed and pulled my cock into her pussy. I felt the big build up and began to pound her even harder. She could tell I was about to cum and she reached around our butts to grab my balls and give them a good squeeze. Well, that was too much for me and I shot a huge load deep into her wet pussy. Now it was her turn and she ground her hips into my cock. I grabbed each nipple and gave them a soft twist and squeeze as she came with a big grin on her face.

As we lay there in our sweat, I asked if we could do it again. She kissed the tip of my cock and said she'd be happy to bring dessert over again tomorrow.

STACI & SCOTT

Like most women, I like variety when it comes to sex. In the men I'm with. In the positions we try, and of course, the places we do it. I like quickie sex, and long, slow love-making. Anything that's different is right by me. Once I get the urge to do it, there's no stopping me. I'm like a horny train that can't be stopped.

As I was saying a few pages ago,
when I'm ready to do it, look out.

The time I decided to try anal
sex, I practiced a few times with
a dildo, but I felt it wasn't right.

So I convinced my husband at
the time (yeah, like he needed
convincing) that I wanted to do

it. I don't think I ever saw his
cock get hard as fast as that
time. When we did it, I loved it
and now it's a part of my sex
life no matter who I'm fucking.

ROXANNE & RANDY

I've been in the adult business for many years, but recently I read a book on human sexuality and it was a real eye and mind opener. It was different take on sex. Yes, there was the reproductive stuff, but some of the comments by people about their sex lives and sexuality astounded me. Now I'm more aware.

While most of my sex scenes are straight fucking with no emotion, sometimes, I admit, I brought some of that attitude to my private life and it made it difficult to maintain relationships. Now I have found a sexuality within myself that I'm happy with and can share will all my partners.
